3% Administrative Costs

78%

2022 EFFICIENCY RATING

\$0.78 of Every Dollar Raised Spent on Family Programs

The Better Business Bureau requires at least 65% of non-profit expenses to be spent on programs.

A childhood cancer diagnosis is devastating to families. Treatment requires months, and usually years of therapy, with many children who relapse facing five or more years of treatment. Even with insurance coverage, unexpected non-medical expenses add additional stress and hardship to the family budget. **This is why Candlelighters focuses on emotional, educational, AND practical needs of children with cancer and their families.**
